

PUBLIC SERVICE ANNOUNCEMENT

Voice over length: 30 seconds

Hello, I am _____ of the (name of fire department). It's the holiday season and time to find just the right Christmas tree. Look for one that's freshly cut. The needles should bend and not break between your fingers.

At home, keep your tree away from any ignition source such as the fireplace, heaters and candles. A dry tree can be a serious fire hazard, so water yours daily. When the holidays are over, remove the tree from your home as quickly as possible.

A message from the (name of fire department) and this station.
